RE: Notice of Oral Ex Parte Presentation. 47 CFR Sec. 1.1206(b)(2)

In the Matter of Review of the Section 251 Unbundling Obligations of Incumbent
Local Exchange Carrier, CC Docket No. 01-338

Implementation of the Local Competition Provisions of the Telecommunications
Act of 1996, CC Docket No. 96-98

Deployment of Wireline Services Offering Advanced Telecommunications
Capability, CC Docket No. 98-147

Secretary Dortch:

Pursuant to Section 1.1206(b)(2) of the Commission's rules, Alcatel, on behalf of itself and the High Tech Broadband Coalition ("HTBC"), hereby informs the Federal Communications Commission ("Commission") of a June 3, 2004, oral ex parte presentation made to Matthew Brill, Legal Advisor to Commission Kathleen Abernathy. Attending this meeting on behalf of the HTBC were Derek Khlopin of the Telecommunications Industry Association, Douglas Cooper of Ciena, Jeanine Poltronieri of Motorola, and myself.

At the meeting, the HTBC and Mr. Brill discussed the status of the Commission's network unbundling rules as they applied to ILEC owned fiber loops serving multi-dwelling units. The HTBC advocated that these loops be provided the regulatory relief designated for individual residences and other "mass market" customers in the Commission's Triennial Review Order. The HTBC and Mr. Brill also discussed how the Commission's rules would distinguish between a "mass market" multi-dwelling unit and an "enterprise" multi-dwelling unit.

This presentation was consistent with the HTBC's previous filings, specifically its Nov. 6, 2003, comments to the Petitions for Reconsideration filed in 01-338.
